

SEQUOIA

Atlantic Yacht Basin, Great Bridge

One of four surviving presidential yachts, *Sequoia* was used by nine chief executives between 1931 and 1977. *Sequoia* was the setting for social and recreational activities (President John F. Kennedy's last birthday party was held aboard), but also witnessed crucial domestic and foreign policy meetings and decisions, especially during Richard M. Nixon's presidency. *Sequoia* is currently in private ownership.
